Press Release

Working On Fire - Kishugu Joint Venture delegation at the 8th International Wildfire Conference in Porto, Portugal

15 May 2023 Cape Town, South Africa

The Working On Fire - Kishugu Joint Venture (WOF-Kishugu JV) proudly announces its representation at the 8th International Wildfire Conference (IWFC) in Porto, Portugal. This globally significant event, taking place from May 16th to 19th, 2023, brings together key stakeholders in wildland fire management.

The WOF-Kishugu JV delegation from South Africa includes three members of the JV's top management and two General Managers who are looking forward to the opportunity for collaborative efforts to address wildfire risks amidst the challenges of climate change.

The IWFC serves as a nexus for governments, wildfire practitioners, and private sector entities, fostering knowledge exchange and global partnerships.

It aims to develop policies, enhance governance, and reduce the impacts of wildfires on the environment and humanity.

WOF-Kishugu JV's expertise in Integrated Fire Management Solutions (IFMS) has garnered international recognition, with deployments in countries like Indonesia, Chile, and Canada. Our participation at IWFC strengthens our global presence in wildland fire management.
